ABOUT ME

Hello, I aim to improve myself on data and planning. Up until now, I have improved myself in line with my experiences about sales and after-sales processes and applied what I have learned. I am confident in my own abilities in teamwork.

WORK EXPERIENCES

RENAULT MAİS A.Ş.

Aftersales Intern (July 2024 - June 2025)

- I took part in both theoretical and practical aspects in order to master the entire process.
- I received training suitable to my department, both online and face-to-face.

ICRON

Platform Development Intern (August 2025 - September 2025)

- Created and tested algorithms for the new version of an optimization software platform.
- Collaborated with the software team to analyze performance results and ensure algorithmic accuracy.

TAŞPINAR AVM

Sales Assistant (May 2024)

- Assisted customers with product selection and sales transactions.
- Helped maintain store organization during high customer traffic.

INDIE

Game Artist & Designer (June 2022 - November 2022)

- I was in charge of the design and art aspects of the projects.
- We formed a team for this work and made 10 projects. We published two of the projects.

PROJECTS

MİTAŞ POLİGON

Graduation Project

- Conducted detailed analysis of manufacturing operations for custom steel pole production.
- Modeled operation times using real production data to support planning decisions.
- Designed a time estimation approach for non-standard, project-based orders.
- Helped improve production scheduling and resource planning accuracy.

ACADEMIC HISTORY

Hacettepe University | 2021 - 2026

Industrial Engineering

- I took courses to improve processes and increase efficiency.
- I contributed to various student societies and career fairs.

Sırrı Yırcalı Anadolu Lisesi | 2015 - 2020

- I joined the choir.
- I coordinated social responsibility project.
- I was on the chess team. I received awards.

SKILLS

- Fluent English
- Teamwork
- Statistical Quality & Control
- Revenue Management
- Quality Management
- Industrial Engineering
- 3D Modeling
- MS Office
